

## ALIGNING NIH GOALS WITH DHHS AND ORGANIZATIONAL GOALS

### DHHS

Department-wide  
Program  
Objectives

Secretary, Department of Health  
and Human Services

7. Advance Science and Medical  
Research (Improving Health Science)

### NIH

Director, NIH

Advance the understanding of basic  
biomedical and behavioral science and  
how to prevent, diagnose and treat  
disease and disability

IC Director

Sponsors/promotes outreach activities  
by the end of FY 05 that publicize the  
future biomedical research directions  
for the Institute

IC Executive  
Officer

By the end of the 2nd quarter, FY 05,  
completes planning and ensures  
availability of resources for two major  
outreach activities that establish future  
research directions for the Divisions

IC Division Director

By the end of the 1st quarter, FY 05,  
identifies topics; timelines; and resource  
requirements for two scientific  
workshops on critical topics aligning  
with the IC's agendas for future research
